

2022 Marlborough Pure Light Sauvignon Blanc

50% less alcohol, 45% less calories* without compromising on flavour. Crisp and refreshing, expect pure tropical fruit and citrus flavours with nuances of freshly cut herbs from this wonderfully balanced, lighter-in-alcohol Marlborough Sauvignon Blanc.

Where I'm From

Marlborough, New Zealand

How I'm Grown

Our Marlborough vineyards saw a smooth start to the 2022 growing season. Winter and spring both exceeded the long-term rainfall average, while settled weather throughout the all-important flowering period aided fruit set. Summer temperatures were ahead of the long-term average, with cooler February and March temperatures supporting a long slow ripening period - perfect for early flavour development and retaining acid levels. Cool temperatures allowed the team to pick fruit ahead of the usual vintage timeline.

How I'm Made

Classic Sauvignon Blanc fruit was batch-harvested at perfect ripeness, with balanced tropical fruit, citrus, and herbal flavours. Fermented cool in stainless steel tanks to retain purity of fruit flavour and freshness, the wine then spent 3 months on lees to build texture. After blending, some of the alcohol was gently removed from the wine using spinning cone technology to give a full- flavoured 6% alc./vol. Marlborough Sauvignon Blanc that's deliciously fresh, with 50% lower alcohol and 45% less calories compared to 12.5% alc./vol. wine.

The Techy Stuff

Alc /Vol 6% • pH 3.36 • TA 7.6 g/l • Residual Sugar 15 g/l
• 48 calories per 125ml serving

Share in four decades of passion and craft.
Whatever your occasion, there's a
great Giesen wine to match.

*compared to 12.5% alc./vol. wine.
