

2023 Blush Riesling

This inviting Blush Riesling will greet your senses with aromas of luscious red berries and elderflower, subtle sweet spice and a refreshing twist of citrus. Take a sip and enjoy a burst of mouth-watering lime and blood orange flavours, with a touch of sweetness that finishes dry and refreshing.

Where I'm From

Fruit for this Blush was carefully selected from cool-climate vineyards in New Zealand's treasured Marlborough and Waipara regions. Our signature Marlborough Riesling offers luxurious richness and bright citrus flavours that are highlighted by fabulous floral aromas from the Waipara fruit. A dash of Marlborough-grown Syrah gives this wine a touch of sweet berry flavour and its namesake Blush.

How I'm Grown

Favourable weather conditions ensured a successful growing season in Marlborough. Throughout the season, rainfall reached 95% of the long term average ensuring good water supply. With variable weather conditions, this gave low to moderate yields across Marlborough's sub-regions which resulted in looser bunches and ensured quality fruit. Dry weather during the harvest period meant the fruit was picked at optimal ripeness, enabling the varietal characteristics to shine through.

My Style

This Blush Riesling is a playfully versatile accessory for any gathering. The subtle berry flavours and hint of spice make it a perfect match for barbeques or antipasto platters, and the refreshing citrus flavours taste delicious just on their own! Share this wine while getting ready for a night out, take it along to your next BYO, or gift it to your bestie—the Estate Blush Riesling will add a touch of style to any moment.
