

Alcohol-removed 0%* Pinot Gris

Giesen 0% New Zealand Pinot Gris is an alcohol-removed wine that everyone can enjoy for any occasion.

Made from our premium, full-strength New Zealand wine, Giesen 0% keeps all the best qualities of Giesen Estate Pinot Gris. It's aromatically expressive, crisp, and refreshing, with the varietal characteristics you know and love... only with the alcohol gently removed.

Where I'm From

We select fruit from vineyards in Marlborough, Waipara and Hawke's Bay to ensure beautiful, structural Pinot Gris with delicate floral aromatics and stonefruit flavours.

How I Taste

This alcohol-removed Pinot Gris features delicate floral notes with white flowers, lychee, and red apple on the nose. The palate offers traditional Pinot Gris characters of apple and pear with just a touch of muscat grape. Light, delicious, and balanced between acidity and sweetness. Perfect for enjoying at home, out with friends and family, or any time you'd prefer a glass of wine without the after-effects.

How I'm Made

We create premium, full-strength New Zealand Pinot Gris, before using advanced spinning cone technology to gently remove first the aroma and then the alcohol. We collect the delicate aroma and recombine it with the wine. The finished product is a refreshing, off-dry style of non-alcoholic Pinot Gris wine with low calories.
