

Alcohol-removed 0%* Riesling

Giesen 0% New Zealand Riesling is an alcohol-removed wine that everyone can enjoy for any occasion.

Made from our premium, full-strength New Zealand wine, Giesen 0% keeps all the best qualities of Giesen Estate Riesling. It's aromatically expressive, crisp, and refreshing, with the varietal characteristics you know and love... only with the alcohol gently removed.

Where I'm From

We select fruit from vineyards in Marlborough and Waipara. Marlborough brings citrus flavour to the wine and Waipara fruit gives us floral characters to ensure a beautiful, structural Riesling.

How I Taste

This alcohol-removed Riesling features notes of lime, citrus blossom and elderflower on the nose. The palate offers lively and refreshing Riesling characters, with zingy lime, ripe mandarin and delicious sweetness, all balanced by crisp acidity. Perfect for enjoying at home, out with friends and family, or any time you'd prefer a glass of wine without the after-effects.

How I'm Made

We create premium, full-strength New Zealand Riesling, before using advanced spinning cone technology to gently remove first the aroma and then the alcohol. We collect the delicate aroma and recombine it with the wine. The finished product is a refreshing, off-dry style of non-alcoholic Riesling wine with low calories.
