

# Alcohol-removed 0%\* Chardonnay

Giesen 0% New Zealand Chardonnay is a non-alcoholic wine that everyone can enjoy for any occasion.

Made from our premium, full-strength New Zealand wine, Giesen 0% keeps all the best qualities of Giesen Estate Chardonnay. It's a fresh, vibrant, complex wine, with the varietal characteristics you know and love... only with the alcohol gently removed.

## Where I'm From

Our specialist winemaking team carefully selected classic, cool-climate grapes from Hawke's Bay and Waipara wine regions. The Hawke's Bay fruit brings ripe peach, stonefruit and mealy notes to the wine, whilst Waipara adds citrus fruit and crisp acidity.

## How I Taste

This no-alcohol Chardonnay offers a bouquet of citrus and stonefruit, with French oak influence. The fresh and zesty palate reveals creamy vanilla, leading to a long, silky smooth finish with lingering buttery, toasty notes. Perfect for enjoying at home, out with friends and family, or anytime you'd prefer a glass of wine without the after-effects of alcohol.

## How I'm Made

We make premium full-strength New Zealand Chardonnay first. A portion of this base blend goes through malolactic fermentation and is aged on French oak. We then use advanced spinning cone technology to gently remove, first the aroma and then the alcohol. The delicate aroma is collected and recombined with the wine in the final blending stage. The finished product is a refreshing, vibrant, smooth, dry-style, non-alcoholic Chardonnay wine, with low calories.
