

Alcohol-removed 0%* Merlot

Giesen 0% New Zealand Merlot is an alcohol-removed wine that everyone can enjoy for any occasion.

Made from our premium, full-strength New Zealand wine, Giesen 0% keeps all the best qualities of Giesen Estate Merlot. It's aromatically expressive, with the varietal characteristics you know and love... only with the alcohol gently removed.

How I Taste

Expect delicate aromas of crushed blackberry and wild herbs in this alcohol-removed Merlot. Crushed red berries and plum offset by toasted oak on the palate combine to give a light and refreshing option with classic structure and fine, powdery tannins on the finish.

How I'm Made

We start by creating premium, full-strength New Zealand red wine. Then, we use innovative spinning cone technology to gently distill the wine into three layers: aroma, alcohol and the body of the wine. We collect the delicate aroma and recombine it with the body of the wine, adding just a touch of premium grape juice concentrate to produce our final blend: a refreshing, delicious 0% red wine with low calories.
