

2025 New Zealand Pure Light Merlot

This lighter-in-alcohol Merlot opens with vibrant red-berry aromas, juicy plum, and a touch of violet. Supple and harmonious on the palate, it offers gentle tannins and a rounded fruit richness that lingers softly on the finish.

How I'm Grown

Fruit was sourced from sunny Hawke's Bay, New Zealand's most acclaimed region for Merlot. Warm days and cool nights ensure excellent colour intensity and contributes to wines rich in flavour and aroma.

How I'm Made

First, we craft premium, full-strength New Zealand Merlot. A portion of this wine is then gently de-alcoholised using our state-of-the-art spinning cone technology, carefully preserving the wine's natural aromas and flavour profile. This portion is then reintegrated with it's full strength counterpart to produce a wine that is round, full and easy drinking.

The Techy Stuff

Alc/Vol 6.07% • pH 3.5 • TA 6.01 g/l • Residual Sugar 15 g/l
