

2024 Blush Riesling

A vivacious Riesling with succulent citrus blossom, alluring lime and sweet mandarin with the natural sweetness balancing the classic Riesling acidity.

Where I'm From

Sourced from three outstanding cool-climate regions - Waipara, Hawkes Bay and Marlborough, our 2024 Estate Riesling Blush captures the best of New Zealand's cool-climate winemaking. Waipara Riesling contributes purity and lifted aromatics, Marlborough Riesling adds brightness and minerality while a touch of Merlot delivers a richness and weight to the blend. The result is a smooth, easy-drinking Riesling Blush with succulent citrus blossom, alluring lime, and sweet mandarin with the natural sweetness balancing the classic Riesling acidity.

How I'm Made

Each parcel from Waipara, Hawke's Bay, and Marlborough was harvested at optimum ripeness. Fermentation took place in stainless steel tanks, using carefully selected aromatic yeasts to enhance fruit intensity. To balance natural acidity, the Riesling ferments were stopped early, leaving a touch of natural sweetness that gives the wine its off-dry style. A short time on lees added roundness and softness before the final blend was crafted with a touch of Merlot for added richness and bottled fresh to capture vibrancy.

My Style

This Blush Riesling is a playfully versatile accessory for any gathering. The subtle berry flavours and hint of spice make it a perfect match for barbeques or antipasto platters, and the refreshing citrus flavours taste delicious just on their own! Share this wine while getting ready for a night out, take it along to your next BYO, or gift it to your bestie—the Estate Blush Riesling will add a touch of style to any moment.
